MSMS MyriadSea Management System
Update Notice

A new version of MSMS has been issued, version 5.4. This replaces all previous MSMS versions. The online version of MSMS has been updated, and can be accessed at www.myriadships.com – note that you may need to refresh your browser to ensure the current version displays. Always check the top right to ensure you are viewing version 5.4.

The following is a summary of the changes that have been made to the system:

New Sections

Section	Title	Summary
Policy	Cyber Security	A new cyber security policy has been implemented.

Amendments

Section	Title	Details of Change
C07 v.03	Cyber Security	• Existing section removed and replaced with the MyriadSea Information Security Management System, a copy of which has been introduced. • A requirement for annual internal cyber security audit introduced.

New Forms

Form	Title	Summary
FORM A13	Cyber Security Internal Audit	This form is to be used for annual internal cyber security audits, unless an electronic equivalent is provided.

All Officers and crew are required to familiarize themselves with these new sections, and apply them as required.

We remind everyone that forms and instructions should only be printed when needed, to ensure that old forms are never in use.
